

Gabriel Isaac

Uyo, Nigeria

gabrielisaac52_bps@indeedemail.com

Willing to relocate: Anywhere

Work Experience

Web Application Developer

Uyo, Nigeria

January 2020 to Present

A freelance developer using ASP.NET for sever side development. I've worked with APIs, microservices and a number of the backend technologies.

Internship

March 2020 to May 2020

Interned at Start.NG where I learnt web development using C# and ASP.NET.

Internship

Rosenics Technologies

April 2018 to September 2018

Interned at Rosenics Technologies where I learnt C#, Windows Form and WPF for building desktop applications.

Education

Bachelor's in Chemical Engineering

University of Uyo - Uyo, Nigeria

September 2014 to October 2019
